INTRODUCTION

Please answer all questions completely and accurately in order to provide Issaquah Highlands Community Association (IHCA) with all information necessary to consider your application. If a question does not apply, so indicate. (Leave no spaces blank.) Please attach any additional information which may assist in reviewing your application.

The IHCA shall review and log all business applications and activity within Issaquah Highlands. IHCA staff will provide counter approval for zero or minimal impact businesses. Business deemed to have high impact will be directed to the IHCA Board of Directors (BOD) for approval.

All businesses within Issaquah Highlands must comply with City of Issaquah (COI) business requirements and local, state, and federal obligations. Any unit owner may be subject to penalties, (as defined in the URRs), if the business operation is in violation of the IHCA governing documents and at the discretion of the IHCA BOD.

Possession of a current business license does not authorize business operation unless approved by IHCA staff and/or IHCA BOD. Business application approvals are non-transferable.

Home business application questions may be directed to homebusinessapp@ihcommunity.org or (425) 427-9257.

Parking and Other Disturbances

We will ensure minimal impact to the neighborhood due to parents dropping off and picking up children.

We will make arrangements with parents to park their vehicles on the 24th Avenue NE and walk to the pre-school. 24th Avenue NE has plenty of parking during the operating hours (between 9:00 AM and 3:30 PM). Below is a map of the parking area. This will ensure that neighbors on NE Julep Street will not have any parking inconveniences due to parents dropping off or picking up children.

There will not be many disturbances to neighbors due to the pre-school, mainly due to the preschool not having any out-door play area within the property. We will walk the children to one of the nearby parks (Black Nugget Park and the park on Julep Street between 26th and 28th). During other times children will involve in circle time, pre-school curriculum, arts & craft, all of which under close supervision. The staff are very well experienced, and we will ensure there is sufficient number of staff depending on the number of children present. We do not expect neighbors to even hear any noise while children are inside.

Details about Department of Early Learning licensing requirements:

We are planning to provide care for pre-school aged children. Children will not be there for more than 4 hours.

Under this criterion, we do not need to have a license from Department of Early Learning. We had verified this a while back with our licensor.

The Washington Administrative Code (WAC) also explains who need to be licensed and the above criteria does not require a license from Department of Early Learning,

Here are the clauses that details this.

WAC 170-295-0020

Who needs to become licensed?

(3) We do not license a center that is legally exempt from licensing per RCW 43.215.010(2). However, if the applicant requests it, we follow all licensing regulations to investigate and may certify the center as meeting licensing and other pertinent requirements. In such a case, all our licensing requirements and procedures apply equally to certification.
